

# GLOBAL DAIRY SYMPOSIUM

Thursday, October 6, 2016

## ABOUT THE EVENT:

The Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) in collaboration with the University of Wisconsin- River Falls, invites you to a global dairy symposium held during the World Dairy Expo in Madison, Wisconsin, USA.

The Symposium seeks to address the complex issues brought to the forefront by rapid growth, rise in population, food security, etc. In particular, thought leaders will share trends in dairy production, global impact of economic fluctuations and predictions for the world's developed and developing dairy industries.
